

Professional FERPI Registry (Italian Federation of Public Relations).  
Degree in Public Relations at IULM University in Milan and Political  
Science at the University of Bologna Alma Mater.

For over 20 years I have been working as Communication and PR  
Officer both in public and private sector for management and  
politics. In the past 12 years I specialized in NLP, Counseling and  
Coaching and I also worked as Trainer and Consultant in these  
areas.

I love to support visions, mission and business talent.

I work as a volunteer for activities in support of immigrant children  
and counseling center for families and ONG for Cooperation  
Projects.

I participated and led national and international working groups to  
achieve goals. I love visions and innovations, to help systems to  
improve performance and express excellence.

I trained with the Masters Dr. Gianni Fortunato dell'IIPNL in Bologna,  
and an International leading expert International in NLP and  
Ericksonian Hypnosis, Claudio Naranjo in the Enneagram with the  
SAT Program (Therapy approach and integrated spiritual growth  
between meditation and gestalt) and Robert Dilts, one the major  
expert and researcher in NLP Development.

I've been working on shamanic approach in Brazil since 2008. In  
2010 in Bologna, I participated in the program "The Art of coaching  
(total 95 hours) with the International Trainer Jan Ardui, coach of  
top managers of companies multinationals and International Trainer  
of NLP. I've got the International Certification as Master COACH  
IANLP (Certification of training and experiences from 2003 to 2011).  
I organise seminars and workshops with an integrated approach

Body and Mind in SPA and Wellness Centers about Communication, NLP and Mind Body Well Being.

I am dealing with and Entrepreneurial Coaching and Crisis Coaching.

I love studying and traveling as a sort of spiritual researcher in awakening and healing fields.

My passion is in Counseling and Coaching for performance, personal development and reconnection with their own power and personal original talent, for individuals and organizations.

I love art expression in all its forms, music and traveling and I like to organize art events with my network. I work in Italian and English (University of Cambridge level Proficiency). I know and I speak at intermediate French and Spanish and Portuguese.

**Customers and projects made.**
