

IANLP COACH, Master Advanced NLP, Professional Counselor AICO, Communication Expert, P.R. Professional FERPI Registry (Italian Federation of Public Relations).

Degree in Public Relations at IULM University in Milan and Political Sciences at the University of Bologna Alma Mater. For over 20 years I have been working as Communication and PR Officer both in public and private sector for management and political area. In the past 12 years I specialized in NLP, Counseling and Coaching and I also worked as Trainer and Consultant in these areas.

I love designing, promoting and organizing cultural and art events.

I love supporting visions, mission and business talents.

I work as a volunteer for activities in support of immigrant children and counseling center for families and ONG for Cooperation Projects.

I worked as Project Leader in national and international groups. I love visions and innovations, to help systems to improve performance and express excellence.

I trained with the Masters Dr.Gianni Fortunato (IIPNL in Bologna) and an International leading expert International in NLP and Ericksonian Hypnosis, Claudio Naranjo in 'Enneagram' with the SAT Program (Therapy approach and integrated spiritual growth between meditation and gestalt), Robert Dilts, one the major expert and researcher in NLP Development and others International NLP Trainers.

I've been working on shamanic approach in Brazil for 'awakening and healing' process .

I participated in the program "The Art of coaching "(total 95 hours) with the International Trainer Jan Ardui, International Coach for top managers multinational corporation and International Trainer of NLP. I've got the International Certification as Master COACH IANLP (Certification of training and experiences from 2003 to 2011).

I organise seminars and workshops with an integrated approach Body and Mind in SPA and Wellness Centers about Communication, NLP and Mind Body Well Being.

I love studying and traveling as a sort of spiritual researcher in awakening and healing fields.

My passion is in Counseling and Coaching for performance, personal development and reconnection with their own personal power and unique talent, for individuals and organizations.

I love art expression in all its forms, music and traveling and I like to organize art events with my network. I work in Italian and English (University of Cambridge level Proficiency).

I speak at intermediate level French and Portuguese and basic German and Spanish.
